Login to IBM Cloud account and apply the feature code

The screenshot shows the IBM Cloud login page. The browser's address bar displays the URL: `cloud.ibm.com/login?defaultId=dhar.1918109@gct.ac.in&firstLoginPremium1=true&state=%2Fregistration%2Fpayment`. The page header includes links for 'Catalog', 'Cost estimator', and 'Docs'. The main content area features the IBM Cloud logo and the text 'Log in to IBM Cloud'. Below this, there is a link for 'Don't have an account? Create an account'. The 'Sign in with' section shows a dropdown menu with 'IBMid' selected and a text input field containing the email address 'dhar.1918109@gct.ac.in'. A blue 'Continue' button is positioned below the email field. A link for 'Sign in as a different user' is located below the 'Continue' button. At the bottom of the form, there is a checkbox labeled 'Remember ID'. The footer of the page contains the copyright notice: '© Copyright IBM Corp. 2014, 2022. All rights reserved.' The Windows taskbar at the bottom shows the system clock at 17:02 on 01-09-2022.

This screenshot shows the same IBM Cloud login page, but the user has proceeded to the password entry stage. The browser's address bar now shows the URL: `cloud.ibm.com/login?defaultId=dhar.1918109@gct.ac.in&firstLoginPremium1=true&state=%2Fregistration%2Fpayment`. The page header remains the same. The main content area still displays the IBM Cloud logo and 'Log in to IBM Cloud'. Below the logo, there is a link for 'Forgot password?'. The email address 'dhar.1918109@gct.ac.in' is displayed above a password input field. The password field is masked with dots and has a toggle icon on the right. A blue 'Log in' button is located below the password field. The footer of the page contains the copyright notice: '© Copyright IBM Corp. 2014, 2022. All rights reserved.' The Windows taskbar at the bottom shows the system clock at 17:02 on 01-09-2022.
